LETTER OF APPEAL

FCC
Federal Communications Commission
Office of the Secretary
9300 East Hampton Drive
Capitol Heights, MD 20743

To Whom It May Concern:

On January 20, 2004, Des Moines Schools (Billed Entity Number 131976) was sent an "Administrator's Decision on Appeal - Funding Year 2003-2004" letter related to our Form 471 Application Number 341871. Our Applicant Form Identifier was *DMPS4710302*.

We would like to appeal the USAC decision to deny our application.

This 471 listed two FRNs: 921421 and 922603. The funding commitment decision explanation for both FRNs was "No contract or legally binding agreement was in place when the Form 471 was filed."

We think the potential point of confusion that caused our request for this vendor (ICN) to be denied is that our agreement with the ICN is actually a month to month agreement. But we completed the 471 form as if it was a contract, which probably raised questions in the review process about the nature of the contract.

These ICN eligible services are offered on a month to month basis. Our bidding and selection process were complete prior to the filling of the 471. Based on this information, we would ask that you award our funding requests related to 471 application number 341871.

If we can assist in your review of our request, please contact us.

Sincerely,

A handwritten signature in dark ink, appearing to read "Greg Davis", written over the typed name.
